

# **The Humble Cross Necklace Project**

*"A simple gift with eternal impact."*

Each bag contains seven Humble Cross necklaces, crafted from hypoallergenic and waterproof plastic so they can be worn 24/7. These simple crosses represent Christ's humility and serve as conversation starters to share His love and invite others to our church.

## **Take a Bag, Share the Blessing:**

Please take a bag of seven. Keep what you and your family need, and give the rest away to friends, neighbors, or strangers. Let the Holy Spirit use this small gift to spark conversations and inspire faith.

## **Join the Mission:**

My goal is to distribute 1,000 crosses this year, spreading seeds of hope and bringing new members into our church family.

Please lend a hand and together let's grow God's kingdom!
